*Technology*, 57(1), 96–113, in column one on page 97, the indented line:

1000 Implantation <2> (Implantation procedure, natural)  
should be:

1000 Implantation <2> (Implantation procedure)

Also, the middle initial for one author name appearing on the front cover of the issue is incorrect. The name appears as Willie K. Rogers, but should be Willie J. Rogers.
